

## SAP Portal Self-Service Password Reset

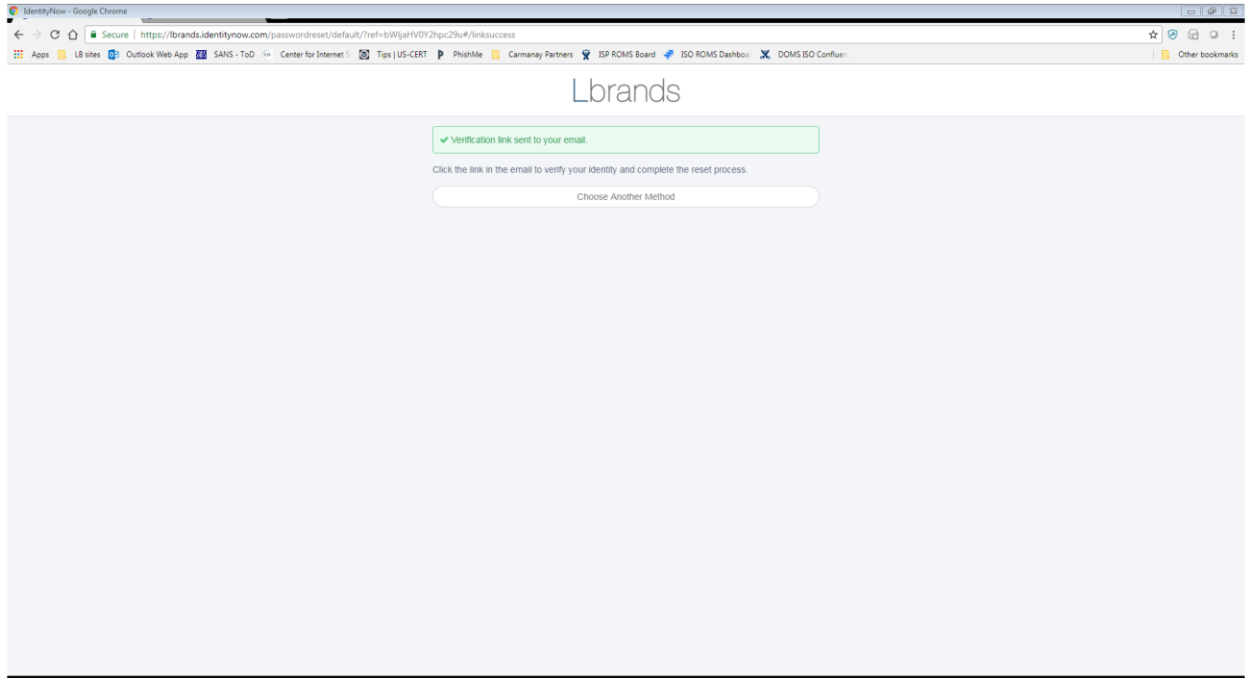

Visit the self-service password reset URL: <https://passwordreset.lb.com>

Enter your SAP Portal User Name, then click on “Sign in Help” then select “Forgot/Reset Password”

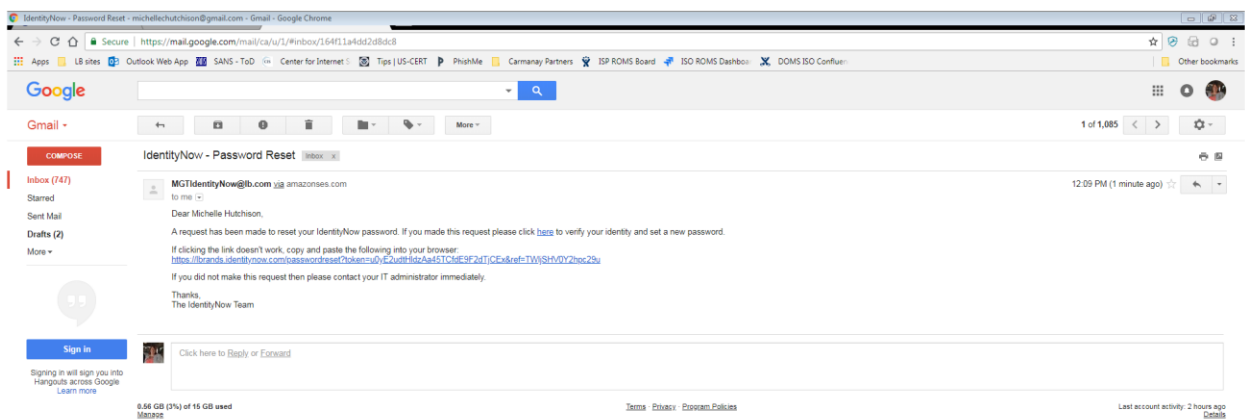

Click on “Send link to work email”

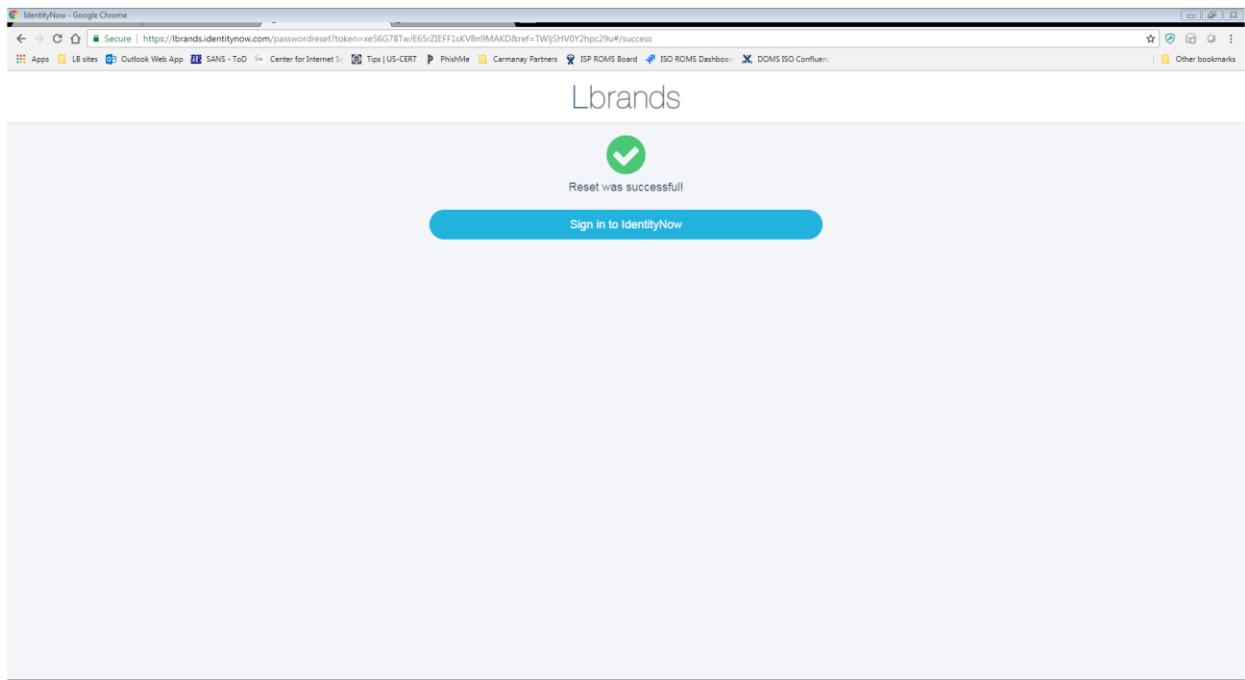

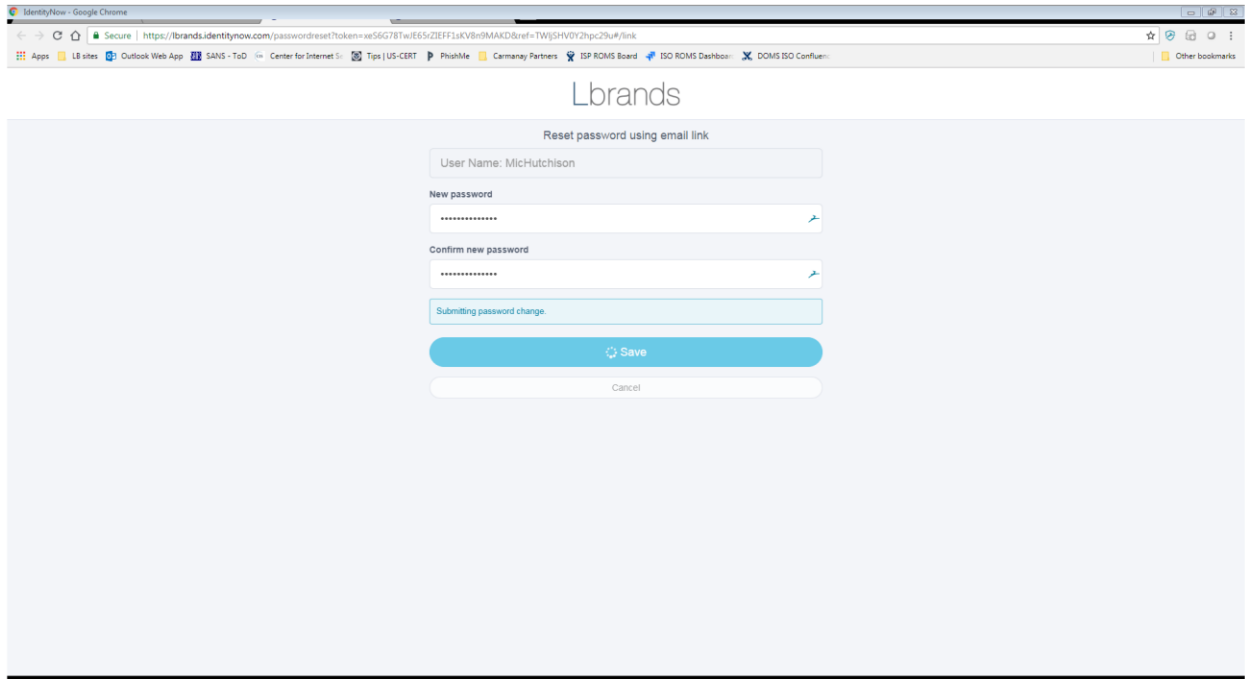

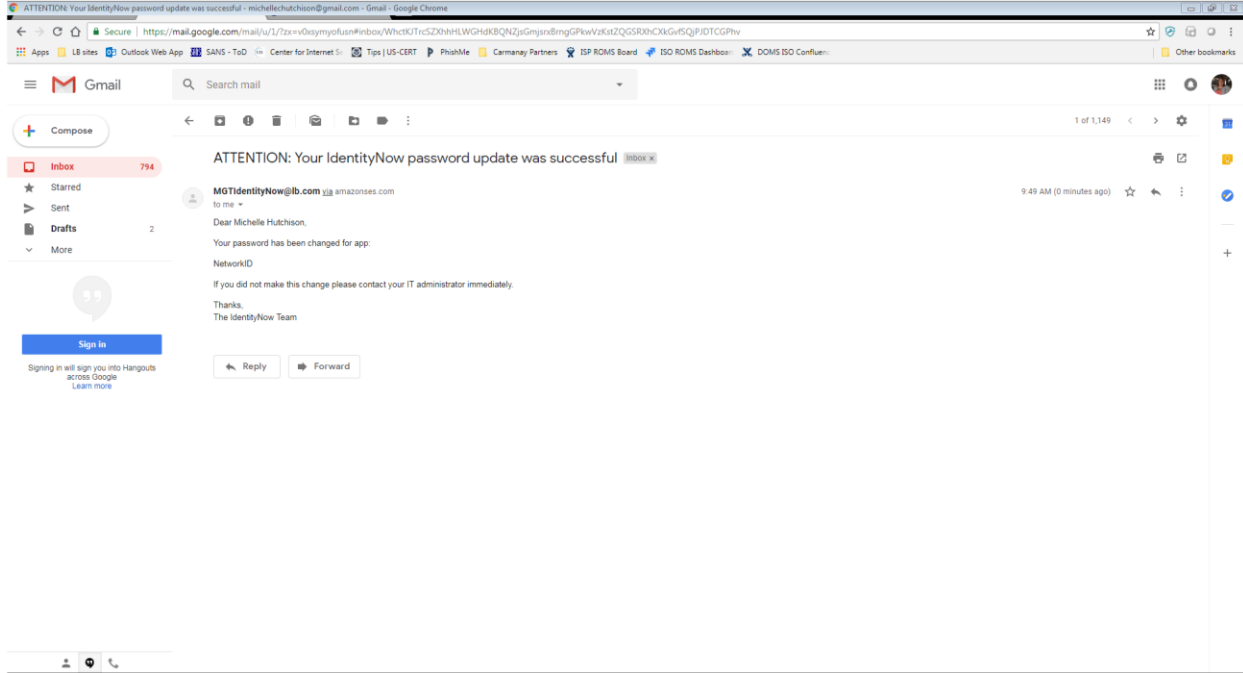

Check the email address associated with your L Brands SAP Portal account, and click the link within the message titled "IdentityNow Password Reset"

The link will bring you to a screen that allows you to select a new password. Enter the new password twice and click “Save.”

You will receive a confirmation email that your password has been updated.

Tip: you can reset your password no more than one time in any 24-hour period.

Call Associate Technology Support for assistance with this or any other concerns.
